

WATERBRICK®

Containers:

PORTABLE

Easy to Carry and Secure in Cars, Boats or ATVs

- 30% less carry weight than standard 5 gal. containers
- Comfortable easy-grip carrying handle
- Easy to secure in transit using a bungee cord through the two designed column holes

STACKABLE

Stacks and Stores like a Tank, but Portable

- Cross stacks and interlocks up to 4 ft. high
- Stacks like bulk storage, but can be individually carried for portable water on the go
- Take water with you in an emergency vs. 55 gal. drums or tanks

CUSTOMIZABLE

To Maximize Limited Storage Space

- Stack and store any where, and any way you need
- Perfect for small spaces or for discreet water storage
- Replace a coffee/end table with WaterBricks and store water without taking up extra space in your home
