Shipping for Wholesalers
As of July 2019

If WaterBrick coordinates shipment

WaterBrick uses Unishippers a broker and they then contract a carrier. They both work with a number of carriers so it may not always be the same carrier. However, if you ever have a question about a shipment, contact either the carrier or our Operations Coordinator at 407-499-4105.

If Wholesaler coordinates shipment

- **Coordinating Shipping with WaterBrick**
 - **Request a Pickup Date** in your P.O. and e-mail to WaterBrick at orders@waterbrick.org.
 - **WaterBrick will reply within 2-3 business days** with Approval & Pickup Details.
 - **E-Mail Bill of Lading to WaterBrick** at least 24 hours before carrier pickup at orders@waterbrick.org.
- **Shipping Details to Provide Your Carrier For Shipping Quotes**
